

Purpose and Objectives

Restated from the Association's By-Laws of July 20, 2013

PURPOSE:

1. The Association is formed to promote the protection and enhancement of the water quality of Crescent Lake and to preserve its ecological, economic, recreational and aesthetic value.
2. Work closely with other organizations that share this purpose and will coordinate its activities in order to minimize duplication of efforts.

OBJECTIVES:

1. Foster a partnership for the mutual benefit of individuals and organizations concerned with lake and watershed improvement and protection.
2. Promote and provide a forum for sharing of information and experiences on scientific, administrative, financial aspects of watershed management and to promote good stewardship of the lake.
3. Assist in the development and execution of lake restoration and protection programs in accordance with appropriate management strategies and techniques. Specific actions may include education, volunteerism or political action.
4. Encourage support and development of local, state and national programs promoting lake and watershed management.
